REQUEST FOR RECONSIDERATION

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Applicants respectfully ask for reconsideration of both this application and the Office Action dated February 13, 2003. In that Office Action, claims 1-33 were rejected under the judicially-created doctrine of obviousness-type double patenting over claims 1-29 of U.S. Patent No. 6,415,277 to Klatt et al. Applicants respectfully traverse this rejection, but courteously submit that it is moot. In an effort to expedite prosecution of this application, Applicants submit herewith a Terminal Disclaimer in compliance with 37 CFR 1.321. It is respectfully submitted

U.S. Pat. App. No.: 09/479,669
Atty. Docket No.: 004944.85634

that the submission of this Terminal Disclaimer overcomes the nonstatutory double patenting rejection with regard to U.S. Patent No. 6,415,277.

Authorization to charge the requisite Terminal Disclaimer fee in the amount of \$110.00 to the deposit account of the undersigned, Deposit Account No. 19-0733, is submitted herewith. If, however, the Commissioner deems that additional fees are necessary for the consideration and entry of this Request and the Terminal Disclaimer or to otherwise maintain the pendency of this application, it is respectfully submitted that the Commissioner charge such fees to the deposit account of the undersigned, Deposit Account No. 19-0733.

In view of the submission of the Terminal Disclaimer, Applicants respectfully submit that claims 1-33 are now allowable, and that this application is therefore in condition for allowance. Favorable action in this respect is courteously requested at the Examiner's earliest convenience.

Respectfully submitted,

BANNER & WITCOFF, LTD.
